"CRUISIN"

VOLUME 26

## LADIES AND GENTLEMEN... START YOUR ENGINES

Fasten your seat belts! We are about to take you cruisin' through the halls of Lake View-Auburn. Along the way we will take various pit stops to point out the numerous highlights of the 1984-85 school year.

The first lap of the race had the U.S. hosting the Olympics and Reagan "spinning donies" around Mondale. The Ethiopian famine and the disaster in India rounded out the world events.

Leading the race to the top of the charts were the motion pictures "Ghostbusters" and "Beverly Hills Cop," and the songs "Jump" by Van Halen and "Let's Go Crazy" by Prince. Setting the pace in the fashion world was the Michael Jackson and the Heavy Metal look, and spinning out in the streets were the Breakdancers with their new style of dance.

School started in the summer Fashion with temperatures soaring and shorts being a common sight through the halls. Football and volleyball began and old friendships were renewed after a long summer break. Everything was in full swing by the time the Kick-Off Dance arrived.

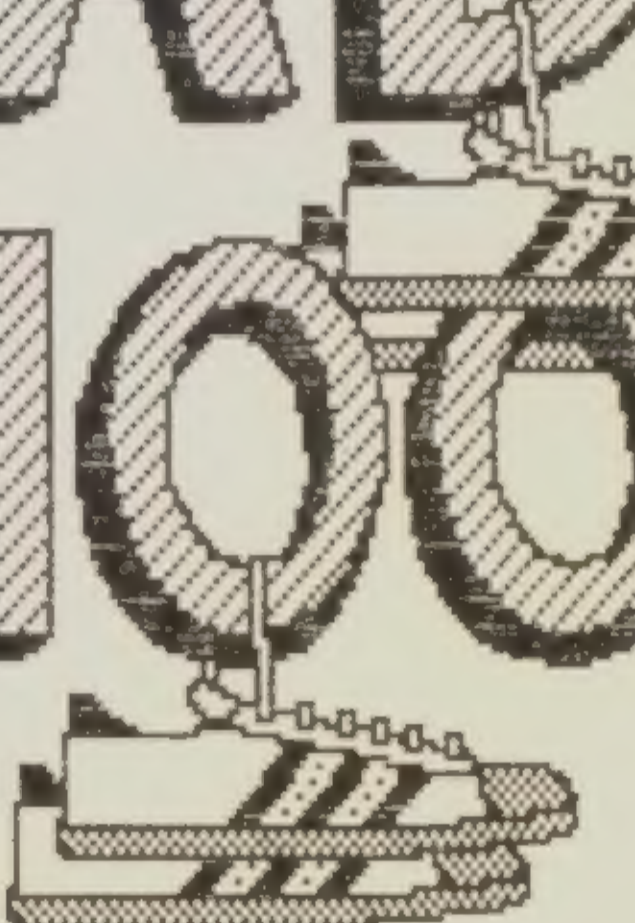

Choir members could be heard practicing heartily for the All-State auditions. The cast for the All-School Play, "Stage Door", was selected and members feverishly began memorizing their lines. As Homecoming approached, students and classes began preparing for the week's activities.

With seatbelts fastened, sit back, relax, and enjoy your cruise through 1985.

Some people know the way to make  
Each day seem more worthwhile,  
They seem to catch the sunshine  
And then wear it in their smile.

They really take an interest  
In the little things you do.  
You know they'll share your problems  
And will always see you through.

They give with generosity  
that never seems to end—  
They know the precious secret of  
Just how to be a friend.

# We Remember Dona

Our Friend

by Susan Nieland

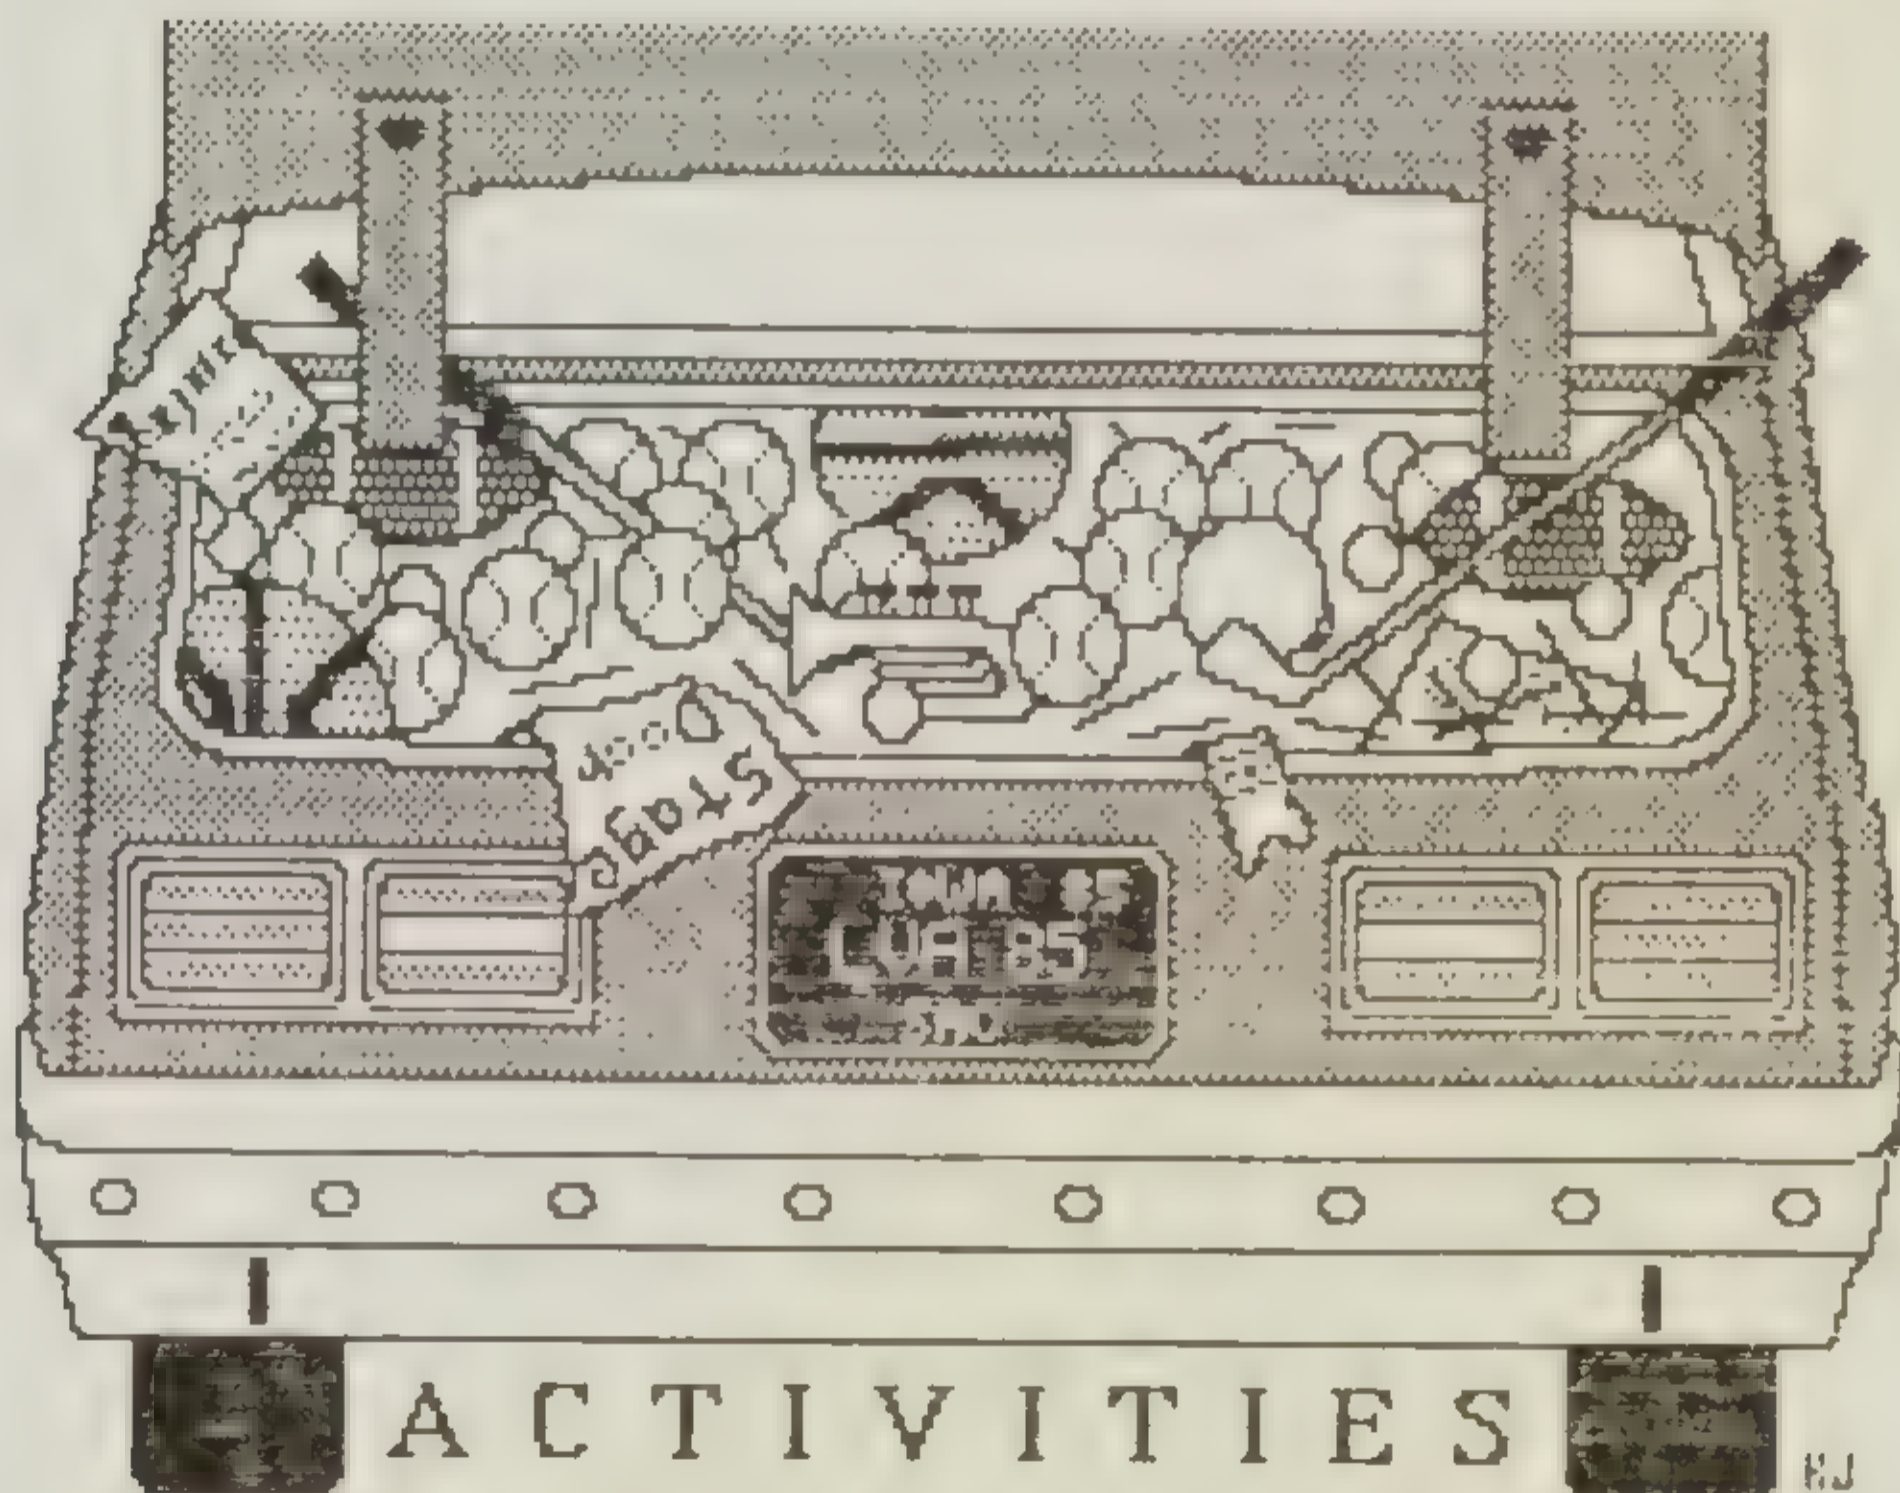

God took our friend the other night.  
He didn't tell us why, only that we  
should not fright.  
Perhaps He also needed a special friend-  
That kind of friend like our friend had  
been.  
You see, our friend wasn't just any sort  
of friend.  
She had something that just made you  
want to share with her.  
Or maybe the angels needed a little help  
in carrying a tune,  
Or perhaps her dad was getting lonesome  
for her, too.  
There are many reasons why God may have  
Taken her away from us.  
Although we still wish we could have her  
back,  
Even if it was just for a little while,  
To at least then tell her how much we  
loved her and wish her goodbye.  
We didn't know God had wanted her so  
badly.  
So, Dona, this will have to do.  
We have many memories that we shall  
never forget.  
Goodbye. We love you.

# PITSTOP FOR HOMECOMING

Homecoming was a fulfilled week of activities, as Queen Coleen Schulte and King Dave King reigned over the festivities. The royal court consisted of Susan Nieland, Susan Stock, Mark Kramer, and Mike Van Meveren.

The five spirit-filled days that comprised spirit week were Crazy Hair-do, Hat and Shades, Nerd, Autograph T-Shirt, and also Red and Black day.

The Seniors dominated the Lawn display and skit competition with first place finishes in each.

The Blackhawks provided an impressive 22-8 victory over the Crestland Cadets in their Homecoming battle. A victory dance after the game was the finishing touch on an exciting Homecoming week.

November 9, 1984 proved to be a very entertaining evening as the 32-member cast of this years All-School Play, "Stage Door," performed for approximately 350 people in the LVA auditorium.

The plot involved a group of 16 young women striving to find success as actresses in the theater. One aspirant gave up in despair, one got married and one went to Hollywood. But Terry Randall, with the help of idealistic David Kingsley, stuck to her guns to rise to a position in the theater.

The next step was to put on the Christmas Concert. Once again the audience was pleased as the choir put on another tremendous concert. Long road towards the year end musical production now began. The highly acclaimed musical "Annie Get Your Gun" was selected and work immediately began.

Before the musical was to be put on, the choir had to perform in both State Small Group and State Large Group contests. Not to be outdone by anyone the choir also went on tour.

Two fantastic performances of "Annie Get Your Gun" ended the year on a high note. Once again the choir had fulfilled a successful role at LVA.

# ALMOST PARADISE

The annual LVA prom, "Almost Paradise," was held March 29 for LVA Juniors and seniors and their guests.

The banquet was held at the Spring Lake Country Club, where 122 persons were served a prime rib dinner by eight sophomore waiters and waitresses.

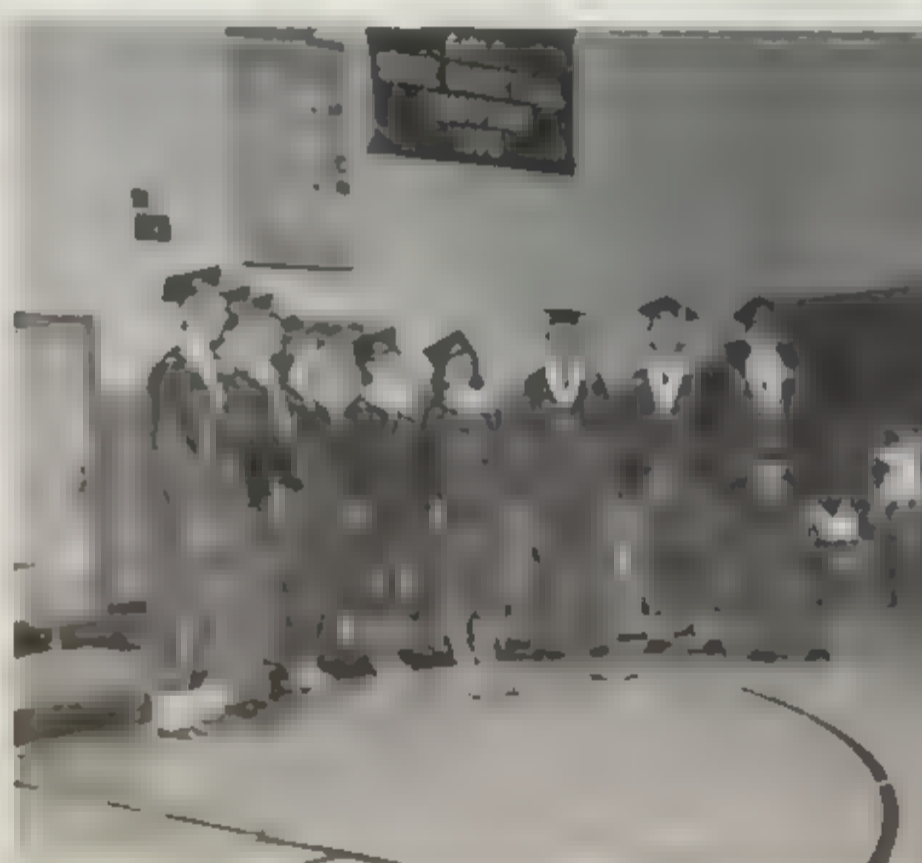

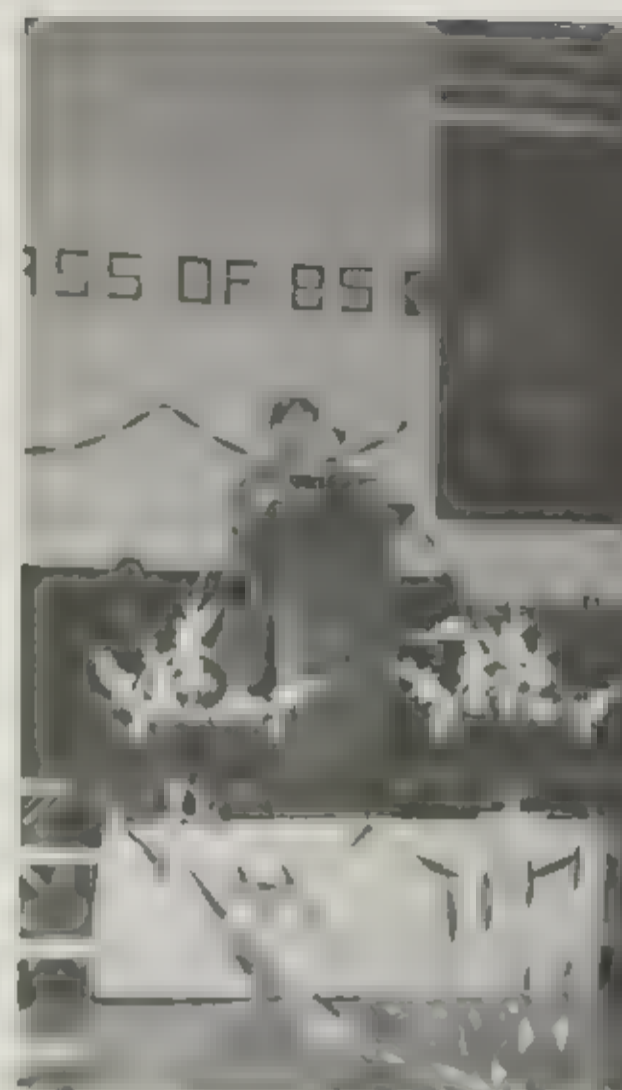

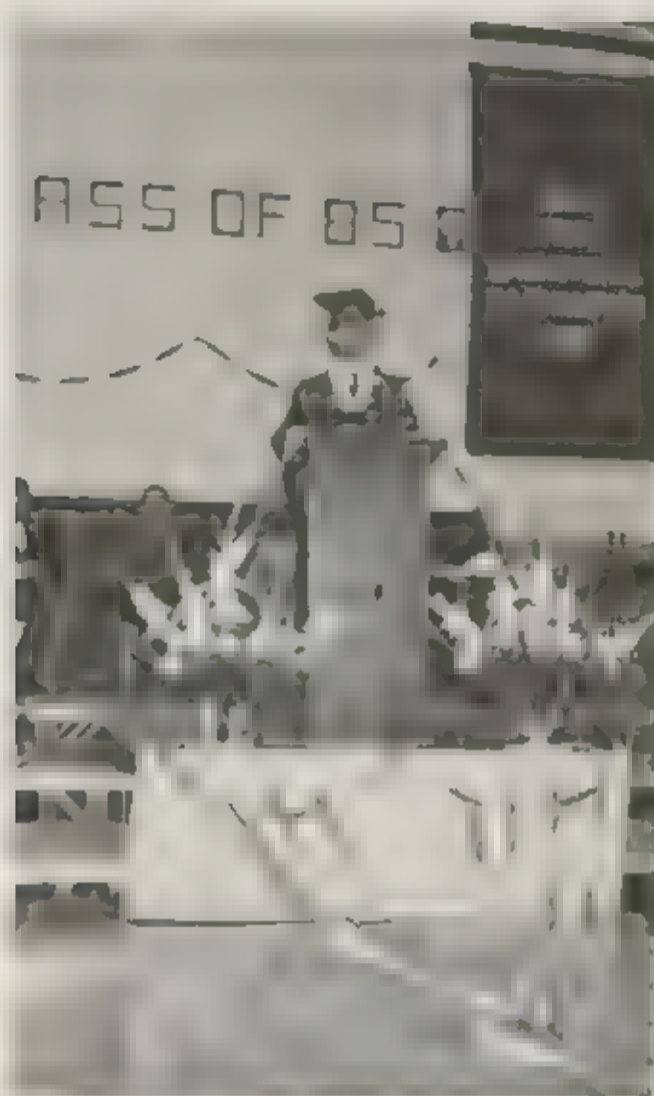

The evening's program included a musical duet by Neal Smidt and Lisa Kent, accompanied by Renee Rowedder. Mr. Thomas read the traditional Senior Will and Prophecy prepared by the Juniors, as well as his own roast of each senior.

The dance was held at the LVA gymnasium, which had been transformed into a pastel paradise. A waterfall, complete with reflecting pool and floating candles, graced the north side of the ballroom, while a tropical scene of palm tree, wishing well and wrought iron furniture formed the setting for the east side. A pastel streamer canopy enclosed the entire gymnasium area, and a streamer gazebo decorated the stage area. Music was provided by the band "Alter Ego."

After prom activities included a Casino Night and breakfast.

The Blackhawk's outstanding season earned them recognition in the polls. The season came to a close with a loss to Fonda in the district tournament, but that would not be the end of their accomplishments. The IHSAA awarded the team and its managers an award for Excellence in Academic Achievement. The award was given to those teams in the state that had a combined grade point average from each member of 3.00-3.24 on a 4.0 scale.

**HECHTNER** HECHTNER's 23-year teaching career includes 19 years of first graders at LVA. She also taught at Ware and Sac City. Mrs. Hechtner is sharing special occasions with her students and exchanging greetings on these occasions for many years. Traveling and spending the winter months in the South are among the plans of this retiring teacher. She hopes to enjoy having extra time for reading, sewing, visiting her children, and playing bridge.

**BARBARA RENZE** is retiring after 36 years of teaching first and second grades. Mrs. Renze has enjoyed the challenge of teaching children at an age when they are so very imaginative, creative, uninhibited and sincere. She has witnessed their joy in experiencing success and followed their progress throughout the years. Following in her mother's footsteps, Mrs. Renze will terminate her career at her alma mater.

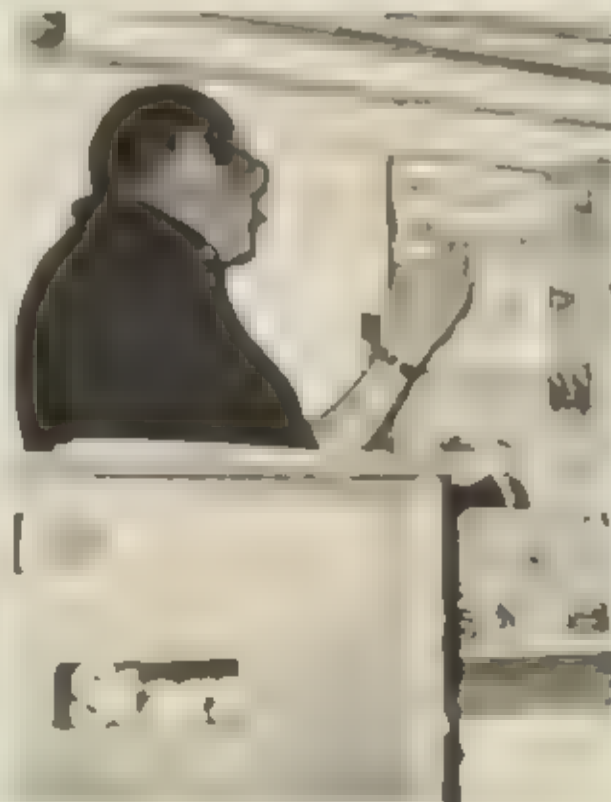

**BONNIE SCHULTE** began her teaching career in rural schools in Calhoun County, and joined the staff at LVA in 1967 teaching third grade. She is presently teaching second grade. Mrs. Schulte has always been interested in her students' achievements, appreciating the determination and effort it took for some of them to achieve their goals. That has been her greatest reward. Mrs. Schulte will continue to spend her summers on Horseshoe Lake in Minnesota and visit the southern part of the country during the winter.

We've rounded the last corner and the fuel gauge registers "E". Fortunately we've just crossed the finish line of another exciting year at Lake View-Auburn. Having finished with the checkered flag in hand we move on to bigger and better things. As editors we will cruise down our own streets to remember LVA as our main street. Editors,
